- Problem Solving

## LANGUAGES

- English: good (speaking, Listening, writing and reading)
- Laos: (Native)
- Hmong (Mother tongue)

## PROFILE

I am a computer engineering student with over a year of hands-on experience as a front-end developer. I am passionate about creating responsive and user-friendly web applications using modern technologies such as HTML, CSS, JavaScript, and React. I am eager to apply my skills to real-world projects, gain valuable industry experience, and contribute to a dynamic development team during my internship.
